This section applies to the employer administration services which are associated with the provision of the group pension plan (the “employer administration services”). Amount of employer administration charge £ per month

Duration of employer administration charge mths

Part A

1. Royal London reserves the right to supplement or vary the employer administration services defined in Part B of section 9 below from time to time.
2. You will pay the standalone administration charge (“the employer administration charge”) detailed above monthly, alongside your regular monthly pension contributions, (or in such regular instalments as we may notify you from time to time). The first employer administration charge shall be paid at the same time as your first regular monthly pension contribution. The employer administration charge is not subject to Value Added Tax (VAT).
3. We reserve the right to introduce an employer administration charge or to vary the amount, of the existing employer administration charge and/or the duration over which the employer administration charge is paid, from time to time. Where we exercise any right of variation or provide notice of alternative terms as described above in this section 9, we shall provide you with advance notice in writing where practicable. Either party may terminate this agreement by providing three months’ written notice.
4. If you fail to pay the employer administration charge within 3 months of the due date. Royal London will cease to accept any further employer or employee contributions paid by you or on your behalf in relation to the group pension plan and will cease to administer the admission of new entrants into the group pension plan.
5. If any contributions are paid to Royal London after the group pension plan has been paid up or terminated (whether on your instructions or as a result of your failure to pay contributions or the employer administration charge when they fall due) these will not be invested in accordance with section 3 and will be refunded to you promptly.
6. Notwithstanding the terms of point 2 above, no further employer administration charge will be payable after all regular contributions have ceased to be paid to Royal London in respect of the group pension plan. Part B

Subject to any variation or supplement as described in Part A, the employer administration services mean:
