- You should only complete this form if you have an existing Individual Stakeholder Pension Plan and you would like to start or increase your regular contributions and/or apply a single contribution or transfer payment to your plan.

- You should answer each question fully and accurately with your financial adviser. You should remember that your adviser is acting on your behalf not only by providing you with advice, but also regarding the completion of this form. If you need any further help completing this form you can contact us on **0345 60 50 050** (Mon – Fri, 8am – 6pm).
- If you're aged 55 or over and you want to take a cash lump sum from your plan, you'll need to complete our **Cash lump sum application form (2TA1405)**.

5 Investment choice

Please complete this section if you would like to change your current investment choice.

You can find full details about all of your investment options in the [Pension investment options guide](#) and at royallondon.com/pensioninvestments

Please note that some of our investment options may not be available for your Stakeholder Pension Plan. You should check with our Customer Service team to see what investment options are available to you.

If you would like to change your investment choice for either your existing contributions or any future contributions you make to your plan, you can do this by completing our [Change of investment form \(32A28\)](#) or via our website.

If you want your new or increased contributions to follow the same investment choice as your current contributions, you do not need to complete this section.

If your plan is currently invested in a Governed Portfolio or Lifestyle Strategy, including the Managed Lifestyle Strategy, or is invested in individual funds which are rebalancing, your new or increased contributions must follow the same investment choice as your current contributions.

Part A: Governed Portfolios/Lifestyle Strategies

If you want to invest your new and/or increased contributions in a Governed Portfolio or Lifestyle Strategy, and you are not currently invested in that Portfolio/Strategy, you'll also need to change your current investment choice. This is because the Governed Portfolio or Lifestyle Strategy must apply to all your contributions. Please check with our Customer Service team to see if these investment options are available to you.

Part B: Individual fund range

If you would like to choose new individual funds for your new or increased regular contribution, single contribution or transfer payment, please complete the table below. Please make sure the figures add up to 100%.

If you would like your funds to rebalance you'll need to tick one of the boxes below to confirm the rebalancing frequency and then complete the 'Rebalancing' column in the table below. If you don't want your funds to rebalance you don't need to tick the boxes below and complete the 'Rebalancing' column in the table.

Monthly Quarterly Half-yearly Yearly

Rebalancing can only take place across all of your individual funds. So if you are choosing new individual funds for your new or increased contributions and you would like your funds to rebalance you'll need to move your existing contributions into these new funds.

Fund name	Rebalancing (all contributions) %	RC %	SC %	TV %
Total	100%	100%	100%	100%

If you would like to invest in more than 10 funds, then please tick this box and provide the additional fund details on a separate piece of paper which should be signed, dated and attached to this application form.
