

CORE INVESTMENTS (PERSONAL PENSION) WITH INCOME RELEASE

Additional contribution with tax-free cash application form

You'll need to complete this application form to apply an additional contribution and release tax-free cash from your Royal London Core Investments (Personal Pension) Plan with Income Release. In addition, you can start or change your income payments from your plan.

1 Important information

Please read this section carefully before completing this application form.

- Please use BLOCK CAPITALS and black ink when completing this form.
- You should complete this application form if you have a Core Investments (Personal Pension) Plan with Income Release and you want to apply an additional single contribution and/or transfer payment to your plan and at the same time, release tax-free cash from your plan. In addition, you can use this form to start or change your income payments from your plan.
- If you have a Core Investments (Personal Pension) Plan with Income Release and you want to release additional tax-free cash from your plan without making an additional contribution or you want to fully withdraw your retirement benefits from your plan, you'll need to complete the **Core Investments (Personal Pension) with Income Release additional tax-free cash, start/change income and full withdrawal application form (65A41)**.
- You should answer each question fully and accurately with your financial adviser. You should remember that your adviser is acting on your behalf not only by providing you with advice, but also regarding the completion of this form. If you need any further help completing this form you can contact us on **0345 60 50 050** (Mon–Fri, 8am – 6pm).
- If we receive a contribution before we are satisfied that we have all the information we need to apply it, we will not invest your contribution for the first 30 days. If after 30 days we have not received all the information we need to apply it, we will invest your contribution in our default investment option.
- If you're transferring an existing pension into your plan, one of the questions that you'll need to answer within this form refers to an 'insistent client'. This term is used when a client receives a recommendation from their adviser advising them not to proceed, yet they insist on going against this recommendation and continuing with the transfer.
- You should keep a copy of this application form and any additional forms you send to us. When you took out your plan, you'll have received a copy of the **Pension Portfolio Core Investments Plan booklet** detailing the terms and conditions of your plan. If you would like to receive another copy of the Plan booklet, you can request a copy from us at any time.
- Please read the checklist on the back page of this form to ensure you enclose all the relevant documentation. Then return your completed form to us at **PO Box 296, Wilmslow, Cheshire, SK9 1WJ**. If you're returning your form in an A4 window envelope, then you'll need to read the additional instructions on the back page of this form.

This is because the contribution that you've entered above is the gross amount, made up of your net payment and tax relief which we'll claim from HM Revenue & Customs on your behalf. If you're an intermediate rate (Scottish taxpayers only), higher rate or additional rate taxpayer, you could be entitled to claim more tax relief through a self-assessment tax return or by contacting your local tax office.

All contributions made by employers must be made gross of tax.

Please read this section and complete the table with your new investment details.

If you would like to choose different individual funds for your single contribution and/or transfer payment, please complete the table below. 7 Income Release details

Please note that you'll not be able to take any taxable income payments until we've paid the first tax-free cash payment, and you'll need to ensure there is sufficient funds in your plan to support your benefit choices. Before you make your decision, we strongly recommend that you discuss your options (including the tax implications) with your financial adviser.

Part A: You'll need to complete this part if you want to take a one-off tax-free cash lump sum payment from your plan.

Part C: You'll need to complete this part if you want to start taking or change your regular taxable income payments from your plan (without combining your taxable income with regular tax-free cash payments).

Maximum income available		N/A

As an example, where the GAD maximum is 150% and you want 110% of the GAD maximum, you'll need to input (110 divided by 150) 73.33% rather than 110% (as this is 73.33% of the maximum income available).

If you're already using flexi-access drawdown or you want to start using this, you'll need to tell us the total amount of taxable income you would like to receive each year?

(Please tell us the amount you want to take before we deduct tax.)

Please note if you're already using capped drawdown and you want to increase your income payments to more than the Government Actuary's Department (GAD) maximums your plan will automatically convert to flexi-access drawdown.

On what date of the month would you like to receive your regular taxable income payments?

How frequently would you like to receive your taxable income payments?

Monthly Quarterly Half-yearly Yearly

It's important that any details you complete in this section relate to the amount of adviser charge that you've agreed in relation to the contribution(s) detailed in the Contributions section of this form which we should deduct from the plan.

12 Adviser charge instruction continued

Please read these notes carefully before completing the table.

You'll need to complete the table with the adviser charge (AC) details that you've agreed will be deducted from the plan. Please complete the table by circling your answers where appropriate or by writing in the details that you've agreed. You'll need to tell us the initial and ongoing adviser charge details for single contributions and transfer payments separately.

Note 1 – What percentage or monetary amount of AC is being paid?

- You'll need to tell us the percentage or monetary amount of AC that you've agreed.
- If the agreed ongoing AC payments are being deducted as a percentage of fund, you'll need to tell us the yearly percentage that we'll need to deduct from the plan which we'll pay monthly.

Note 2 – How frequently are the ongoing AC payments being made?

Note 3 – How long are the ongoing AC payments being made for?

- Are the AC payments being paid for the full term or for a set period? If they're being made for a set period, you'll need to tell us how many payments we'll need to deduct from the plan. We'll continue paying the ongoing AC payments for as long as there is sufficient value in the plan.
- If the agreed AC payments are being paid as a percentage of fund, we'll pay these for the full term of the plan or until we're advised otherwise.

Note 4 – After how many months are the ongoing AC payments to start from?

- You'll need to tell us after how many months from when the additional contribution is applied to the plan are the ongoing AC payments are to start being paid from. If they're to start from year 2, you'll need to enter 12 into the table. Alternatively, if they're to start being paid immediately, you'll need to tell us.
- If the agreed AC payments are being made as a percentage of fund, we'll pay the ongoing AC payments from the month the additional contribution is applied to the plan.

Note 5 – Are the AC payments increasing each year? If so, how are they increasing?

- If the AC payments are not increasing you don't need to complete this column.
- If the agreed ongoing adviser charge payments are being paid as a monetary amount which will increase, you'll need to tell us if they're increasing by RPI, AWE or a fixed percentage. The maximum fixed percentage is 5%.

Note 6 – When are the AC payments increasing from?

13 Declaration

You should read and sign this section. If there is anything you do not fully understand, you should speak to your financial adviser or Royal London.

I confirm that this is my application to apply an additional contribution to my plan detailed in the Contributions section of this application form, to release tax-free cash, and if relevant, to start or change the income payments from my plan as detailed in the Income release details section of this application form.

I authorise Royal London to:

- disclose information concerning my plan, including any adviser charge details, to any financial adviser appointed by me in order for them to provide me with advice and services that relate to my plan. If I don't want Royal London to share information about my plan, I understand that I can inform Royal London of this by writing in the way described in the 'Privacy notice' section;
- deduct any adviser charges that are detailed in the Adviser charge instruction section of this application form from my plan over the agreed period of time and pay them to my financial adviser as detailed within this form.

I agree that:

- if I'm applying an additional contribution to my plan and I've requested that any tax-free cash and, where relevant, income payments are paid within the cancellation period, and I later decide to cancel my additional contribution within the cancellation period, I will immediately pay back to Royal London any tax-free cash and, where relevant, income payments that are in excess of the maximum amounts that I would have been entitled to receive had I not made that additional contribution;
- should tax become payable because I either (i) recycle tax-free cash or (ii) have not provided the correct information within the Contributions and Income release details sections of this application form, then I will pay any tax or penalty that may be imposed by HM Revenue & Customs or I will reimburse Royal London for any tax or penalty that they may incur.

I understand that:

- the terms of my plan are detailed within my **Pension Portfolio Core Investment Plan booklet** which I received when I applied for my plan, and if I require an additional copy of this I can request a copy at any time;
- the information detailed within this form will be used to structure my investments and provide benefits under my plan;
- I will not be able to cash-in, assign or take as a lump sum any pension bought by my plan except as allowed by Part 4 of the Finance Act 2004 (as amended);
- if I'm not already subject to the MPAA I will trigger this from the date I receive my first flexi-access taxable income payment from this plan, unless I trigger this under any other pension plan before this payment is made. If I do trigger the MPAA under any other pension plan, then it's my responsibility to inform Royal London of this within 91 days of the trigger;
- if I've agreed that adviser charges will be deducted from my plan in return for the advice and services I've received from my financial adviser in relation to this additional contribution, these charges, including the frequency they'll be deducted and the duration for which they'll be paid, are detailed within the Adviser charge instruction section of this application form; and
 - my financial adviser has discussed any agreed adviser charges with me and I understand the impact they'll have on my plan and that any agreed adviser charges are in addition to any plan charges that Royal London may apply;
 - if I want to find out how the adviser charges may be deducted from my plan, this is detailed within my Plan booklet;
 - if I've agreed my financial adviser will receive an adviser charge either as a percentage of the contributions or as a percentage of the fund, this adviser charge instruction will also apply to any future contribution increases or new contributions of the same type that I make to my plan, unless I tell Royal London otherwise. However (i) if I choose to make a single contribution to my plan and more than 24 months has passed since I made my last single contribution, I understand Royal London will require a new adviser charge instruction, and (ii) if I wish to make a transfer payment to my plan, I understand that Royal London will require a separate instruction to confirm the amount of adviser charge that should be deducted from my plan each time;
 - if I want to change an agreed adviser charge instruction, I'll need to provide Royal London with a new instruction;
 - if I change my financial adviser I should let Royal London know as soon as possible. In such circumstances, Royal London will continue to pay any outstanding initial adviser charge to my previous adviser. I also understand that if I want to pay an adviser charge to a new financial adviser I will need to provide Royal London with a new adviser charge instruction;
 - if Royal London stops making adviser charge payments to my financial adviser for any reason, or if I instruct Royal London to discontinue paying an adviser charge to my financial adviser or if I cancel my plan within the cancellation period, I may remain liable to reimburse my financial adviser for the cost of the advice and services provided to me. I should check the terms of my agreement with my financial adviser in this event.
 - if I wish to make a transfer payment, the payment must come from a Registered Pension Scheme and I have provided all of the details about this transfer payment within this application form. Any transfer payment I make will be subject to the rules of The Royal London Personal Pension Scheme (No2) and by making this transfer payment I declare the following:

13 Declaration continued

- Royal London will only accept a transfer from an occupational pension scheme or statutory pension scheme where:
 - the benefits have been equalised under Article 141 of the Treaty of Rome so the benefits for both men and women will be treated the same, and
 - where the transfer value from my previous pension plan is at least equal to the value of any guaranteed minimum pension (GMP) that applied to my previous plan (if applicable), I also understand that Royal London are not liable for any shortfall if the amount my previous pension provider transfers does not meet these criteria.
- Royal London will not accept a defined benefit transfer unless advice has been provided by a financial adviser that has the appropriate pension transfer advice permissions.

My declarations to the administrator of the scheme(s) where my transfer payment is coming from:

- I authorise and instruct you to transfer funds from the plan(s) listed in the Contributions section of this application form directly to Royal London.
