Would you like to take your tax-free cash as:

Regular payments? A combination of regular tax-free cash and taxable income payments?

Please note that you can only take a one-off tax-free cash lump sum payment and regular tax-free cash payments if you've not chosen in Part B to take the maximum lump sum amount available.

If you're taking your tax-free cash as regular payments:

• What is the total amount of tax-free cash you'd like to receive each year?

£

• How frequently would you like to receive these payments?

Monthly or Yearly

• When would you like to receive your regular tax-free cash payments?

If you're already using flexi-access drawdown or you want to start using this, you'll need to write in your income details and/or circle your answers in the table below.

If you're using capped drawdown and you want to increase your income payments to more than the Government Actuary's Department (GAD) maximums, please tick this box. You'll need to write in your income details and/or circle your answers in the table below and your plan will automatically convert to flexi-access drawdown.

Income options available	Yearly income (Before tax)	Payment frequency		Increases to the yearly income		
Regular income payments	£	M	Q	No increase	Y	N
				Increase by RPI	Y	N
		H-Y	Y	Increase by fixed amount	Y	N
				Amount <input type="text"/> % (Max 10%)		

If you're already using capped drawdown and you want to start taking or increase your income payments but remain within the withdrawal limits set by the Government Actuary's Department (GAD), you'll need to write in your income details and/or circle your answers in the table below.

Income options available	Yearly income (Before tax)	Payment frequency		Increases to the yearly income		
Maximum income available with GAD limits	N/A	M	Q	N/A		
A percentage of maximum income (between 1% - 99%)*	%	M	Q	No increase	Y	N
				Increase by RPI	Y	N
		H-Y	Y	Increase by fixed amount	Y	N
				Amount <input type="text"/> % (Max 10%)		
Yearly income amount	£	M	Q	No increase	Y	N
				Increase by RPI	Y	N
		H-Y	Y	Increase by fixed amount	Y	N
				Amount <input type="text"/> % (Max 10%)		

* Please note you'll need to tell us the percentage of income you want to receive and not the percentage of the GAD maximum. As an example, where the GAD maximum is 150% and you want 110% of the GAD maximum, you'll need to input (110 divided by 150) 73.33% rather than 110% (as this is 73.33% of the maximum income available).

Part E: Full withdrawal

If you'd like to fully withdraw your retirement savings from your plan, please tick this box.

Please note, depending on whether you've already received your full tax-free cash entitlement under your plan, this could be paid as a one-off taxable income payment or as a combination of tax-free cash and a one-off taxable income payment.

5 Taxable income payments fund choice

You'll need to complete this section if you want to take a one-off or regular taxable income payment(s) from your plan.

If you've chosen to invest your plan in a Governed Portfolio, a Lifestyle Strategy (our Governed Range), or you've chosen for your plan to automatically rebalance, we'll automatically deduct your taxable income payments proportionately across your Core Investments.

If you're not already invested in our Governed Range and you'd like to invest your retirement savings in this option, you'll need to complete a separate Change of investment application form (32A28).

If you'd like your taxable income payments to be paid from a specific fund or from the Income Tap, you'll need to complete the relevant questions below.

Specific fund choice

If your taxable income payments are to be paid from a specific fund choice, what is the name of this investment fund?

Income Tap

If you choose to use the Income Tap we'll hold a specific number of months' income in our RLP Deposit fund. You'll need to ensure there are sufficient funds in the Income Tap to make one income payment that mirrors the frequency you've chosen to receive your income payment.

If your taxable income is to be paid from the Income Tap, how many months income payments you would like to invest in the Income Tap? (3-60 months)

How frequently would you like to review the Income Tap?

Monthly Quarterly Half-yearly Yearly

You can review your Income Tap at the same frequency you've chosen to receive your taxable income payments and if it needs to be topped up, you can move money proportionately from your Core Investments into your Income Tap.
