

CORE INVESTMENTS (PERSONAL PENSION) WITH SELF INVESTMENTS (SIPP)

Application form

Thank you for choosing a Pension Portfolio Plan with Royal London. You'll need to complete this application form to apply for your plan.

1 Important information

Please read this section carefully before completing this application form.

- Please use BLOCK CAPITALS and black ink when completing this form.
- Your Pension Portfolio Plan will be written under the provisions of the Pension Schemes Act 1993 and Part 4 of the Finance Act 2004 (as amended).
- You should only complete this form if you're applying for a Core Investments (Personal Pension) Plan with Self Investments. If in the future you'd like to add Income Release or make additional contributions, you can do so by completing additional application forms. You can contact your financial adviser or Royal London for copies of our other application forms.
- If we receive a contribution before we're satisfied that we have all the information we need to apply it, we won't invest your contribution for the first 30 days. If after 30 days we have not received all the information we need to apply it, we'll invest your contribution in our default investment option.
- You should answer each question fully and accurately with your financial adviser. You should remember that your adviser is acting on your behalf not only by providing you with advice, but also regarding the completion of this form. If you need any further help completing this form you can contact us on **0345 60 50 050** (Mon – Fri, 8am – 6pm).
- If you're transferring an existing pension into your plan, one of the questions that you'll need to answer within this form refers to an 'insistent client'. This term is used when a client receives a recommendation from their adviser advising them not to proceed, yet they insist on going against this recommendation and continuing with the transfer.
- If any of your personal circumstances change after you've completed this form and before your plan starts, you must tell us.
- If you're aged 55 or over and you want to take a cash lump sum from your plan, you'll need to complete our **Cash lump sum application form (2TA1405)**.
- You should keep a copy of this application form and any additional forms you send to us. When you take out your plan you'll receive a copy of the **Pension Portfolio Core Investments Plan booklet** and the **Self Investments Plan booklet** which will detail the terms and conditions of your plan. If you'd like to see a copy of the Plan booklet now, you can request a copy from us at any time.
- Please refer to the checklist on the back page of this form to ensure you enclose all the relevant documentation along with your completed form which should be returned to us at **PO Box 296, Wilmslow, Cheshire SK9 1WJ**. If you're returning your form in an A4 window envelope, then you should read the additional instructions on the back page of the form.

9 Death benefit

Please read this section carefully and then complete it.

It's important that you regularly review who you've nominated to receive the retirement savings from your Pension Portfolio plan in the event of your death, especially if your circumstances change. When you complete this form, you need to ensure that you tell us the names of everyone who you want us to consider as a beneficiary.

Firstly you'll need to decide how you want your retirement savings to be paid out – there are normally two options for you to choose from:

Option 1 – At our discretion (as the scheme administrator)

If you choose this option, you'll need to tell us who you want us to consider paying the retirement savings to. In most circumstances we'll follow your wishes. However it's important to understand that under this option we are not bound to follow your wishes. We may decide to pay your retirement savings to a different person or persons if your personal circumstances at the time of your death make this an appropriate course of action. If you choose this option, any retirement savings we pay won't be subject to any inheritance tax.

If you choose this option, you can change who you've nominated at any time by writing to us, however, you can't choose Option 2 below at a later date.

Option 2 – At my direction

If you choose this option, we're legally obliged to carry out your wishes and pay your retirement savings to whoever you have directed us to pay these to. If you choose this option, any retirement savings we pay may be subject to inheritance tax so you may wish to discuss this with a financial adviser first.

If you choose this option, you can change who you have directed us to pay the retirement savings to at any time by writing to us. You can also change your mind and choose Option 1 at a later date.

Paying retirement savings on death

When we're notified of your death, we'll explain to your beneficiaries the different ways in which the retirement savings can be paid to them.

If you want us to consider giving one or more of your nominated beneficiaries the option of using the amount available for beneficiary flexi-access drawdown, it's important that you tell us this when completing the table below. You should speak to your financial adviser to find out more information about why you may want to consider this option.

Remember that when you're choosing your nominations, you can only choose who you want your retirement savings to be paid to on your death - you can't choose who any remaining retirement savings may be paid to when those beneficiaries subsequently die.

Choosing your option

Please tick one box below to confirm how you'd like your retirement savings to be paid out and then complete the table below:

Option 1 – At the discretion of the scheme administrator Option 2 – At my direction

We only use this information to pay your retirement savings in the event of your death. Please make sure your beneficiaries are aware of how we use their information.

			Yes/No
			Yes/No
			Yes/No
			Yes/No

If you'd like to list more than six names, please tick the box and provide the details on a separate piece of paper which should be signed, dated and attached to this application form.

11 Adviser charge instruction

Please complete this section with the agreed adviser charge details.

Adviser charges can be paid as a percentage of fund (based on the value of the Core Investments) and/or a percentage of contribution, or a monetary amount that you've agreed. We'll deduct all adviser charges from the Core Investments part of the plan.

If the adviser charge(s) include VAT and the rate of VAT applicable changes, your financial adviser will need to tell us the new total adviser charge(s) to be deducted from the plan.

If you've agreed an adviser charge payment for advice and/or services provided in relation to the Self Investments part of the plan, including any in specie transfer, we'll deduct the payment from the value of the Core Investments part of the plan. It's important that any details you complete in this section include the total amount of adviser charge that we should deduct from the plan.

Please tick one of the following boxes to confirm if any adviser charges are to be deducted from your plan.

No adviser charge

If 'No' you don't need to complete any more details within this section.

Yes

If 'Yes' please read the notes and complete the table on the following pages.

Please note that if you've agreed an adviser charge payment with your adviser, the amount we'll deduct from the plan will be based upon the full value of the contributions before any tax-free cash is paid out.

11 Adviser charge instruction continued

Please read these notes carefully before completing the table.

You'll need to complete the table with the total adviser charge (AC) details you've agreed will be deducted from the value of the Core Investments part of the plan. Please complete the table by circling your answers where appropriate or by writing in the details you've agreed. You'll need to tell us the initial and/or ongoing adviser charge details for regular contributions and for single contributions and transfer payments separately.

Note 1 – What percentage or monetary amount of AC is being paid?

- You'll need to tell us the percentage or monetary amount of AC that you've agreed. **If the AC payment is to be made ASAP, please leave this blank and read note 4.**
- If the agreed initial and/or ongoing AC payments are being paid as a monetary amount, you'll need to tell us the amount and the frequency that amount is to be paid for. For example, if the total charge to be paid is £1,200 and you've agreed this will be paid over 12 months, you'll need to enter £100 and 12 into the appropriate boxes.
- If the agreed ongoing AC payments are being deducted;
- as a percentage of the fund, you'll need to tell us the yearly percentage that we'll need to deduct from the plan which we'll pay proportionately each month.
- as a percentage of contribution or as a monetary amount, you'll need to tell us the percentage or the amount that we'll need to deduct from the plan.

Note 2 – How frequently are the AC payments being made?

- You'll need to circle how frequently the AC payments will be paid (monthly or yearly). We're not able to pay the AC payments less frequently than the frequency the contributions are made to the plan and they can't be more frequently than monthly. For example, if the regular contributions are being paid monthly, we'll only pay the AC payments monthly.
 - You'll need to circle to let us know how frequently the ongoing AC payments are to be paid. If you've agreed the AC payments will be paid as a percentage of the fund, we'll pay these monthly.
 - If the agreed AC payments are being paid as a percentage of the regular contributions, we'll automatically pay any AC payments at the same frequency the contributions are made to the plan.
- #### Note 3 – How long are the initial AC payments being made for?
- If the agreed initial AC payments are made as a:
 - percentage of the regular contributions you'll need to tell us how long the AC should be paid for. The period should be months or years depending on the regular contribution frequency.
 - monetary amount you'll need to tell us how many AC payments are to be made.

Note 3 continued

- The maximum number of initial AC payments that we can pay over a monthly frequency is 60 and over a yearly frequency is 5. Please note the maximum initial AC period is 60 months.

Note 4 – How much AC is being paid as soon as possible (ASAP)?

- You'll need to tell us the total AC payment that we'll deduct from the plan ASAP. You'll need to be aware that if you've agreed this option, there'll be no fund value in the plan until we've deducted all of the AC payments.

Note 5 – How long are the ongoing AC payments being made for?

- Are the AC payments being paid for the full term or for a set period? If they're being made for a set period, you'll need to tell us how many payments we'll need to deduct from the plan. We'll continue to pay the ongoing AC payments for as long as there is sufficient value in the plan.
- If the agreed ongoing AC payments are being paid as a percentage of fund, we'll pay these for the full term of the plan or until we're advised otherwise.

Note 6 – After how many months are the ongoing AC payments to start from?

- You'll need to tell us after how many months the ongoing AC payments are to start being paid from. If they're to start from year 2, you'll need to enter 12 into the table. Alternatively, if they're to start being paid immediately, you'll need to tell us.
 - If the agreed AC payments are being made as a percentage of fund, we'll pay the ongoing AC payments from the first month of the plan.
- #### Note 7 – Are the AC payments increasing each year? If so, how are they increasing?
- If the AC payments are not increasing you don't need to complete this column.

- If the agreed ongoing AC payments are being paid as a monetary amount which will increase, you'll need to tell us if they're to increase by RPI, AWE or a fixed percentage. The maximum fixed percentage is 5%.

Note 8 – When are the AC payments increasing from?

- If the AC payments are not increasing you don't need to complete this column.
- You'll need to tell us if the increase is to apply from the plan's yearly review date or a specific date. If it's a specific date, you'll need to tell us the date and the month the increase is to apply from choosing from the 1st – 28th of the month.

12 Declaration

You should read and sign this section. If there's anything that you don't fully understand, you should speak to your financial adviser or Royal London.

1. I've read this declaration and submit this form as my application for membership of The Royal London Personal Pension Scheme (No2) which is managed and administered by Royal London. I understand that when my application is accepted, I'll be issued with a Pension Portfolio Plan with Core Investment and Self Investments which will be offered by Royal London. I agree to be bound by the Scheme Rules.
2. I understand that the information I've supplied within this application form will be used to structure my investments and provide the retirement savings under my plan.
3. I understand that the terms of the Pension Portfolio Plan are detailed with the **Pension Portfolio Core Investments Plan booklet** and the **Self Investments Plan booklet**, and although I'll receive a copy of both of these when my application is accepted, I can request a copy at any time. I understand that I should read the plan booklets carefully and if I have any questions, I should ask my financial adviser or Royal London. I understand my plan will be split into separate assets which will be made up of Core Investments and Self Investments.
4. I confirm that if I've taken retirement savings from my pension arrangement, with the current or any other pension provider, in a way which means I'm subject to the money purchase annual allowance (MPAA), I've supplied the date the MPAA first applied to me in the MPAA section of this form.
5. I understand that if I appoint a Discretionary Fund Manager ("DFM") and/or a stockbroker, I, my financial adviser or my DFM and/or stockbroker (as appropriate) will be responsible for all the decisions relating to the purchase, retention and sale of investments that form part of the Self Investments within my plan. I understand Royal London won't carry out a review of the nominated DFM's and/or stockbroker's financial status or their investment and/or risk strategies and I understand and accept that Royal London and any third party provider or practitioner will be fully indemnified against any claim in respect of such investment decisions. I or a financial adviser I appoint to act on my behalf, will be responsible for checking these matters and ensuring the DFM and/or stockbroker is suitable for my investment objectives. I authorise Royal London to release all necessary information to the nominated DFM and/or stockbroker to enable the transfer of funds for investment purposes.
6. I understand that I won't be able to cash-in, assign or take as a lump sum any pension bought by my plan except as allowed by Part 4 of the Finance Act 2004 (as amended).
7. I understand that if at any point I trigger the money purchase annual allowance under any other pension plan, then it's my responsibility to inform Royal London of this within 91 days of the trigger.
8. I confirm that the adviser charges detailed within section 11 of this application form, which include the amount of adviser charges being paid, the frequency the charges will be deducted and the duration for which they will be paid are as I've agreed with my financial adviser in return for the services they provide. I instruct Royal London to deduct the adviser charges from my plan over the agreed period of time and pay them to my financial adviser as detailed within this form.
9. I understand that if I want to amend the adviser charges that are being deducted from my plan in the future, as described within the **Pension Portfolio Core Investments Plan booklet**, I can provide Royal London with a new adviser charge instruction. Any new adviser charge instruction will replace any previous adviser charge instruction. I also understand that any adviser charge payment I agree with my financial adviser will be in addition to any plan charges that may be required by Royal London.
10. I understand that if I've agreed my financial adviser will receive their adviser charge either as a percentage of the contributions or as a percentage of the fund, then unless I tell Royal London otherwise, this adviser charge instruction will also apply to any future contribution increases or new contributions of the same type that I make to my plan.

I also understand that if I make more than one single contribution to my plan and I've previously agreed an adviser charge that is a percentage of that contribution type, Royal London will also apply the same adviser charge instruction to each single contribution unless I tell Royal London otherwise. If I choose to make a single contribution to my plan and more than 24 months has passed since I made my last single contribution, I understand Royal London will require a new adviser charge instruction. If I wish to make a transfer payment to my plan, I understand that Royal London will require a separate instruction to confirm the amount of adviser charge that should be deducted from my plan each time.
11. I understand that if I reduce the level of regular contributions I make to my plan, unless I've agreed with my financial adviser that the adviser charge will be paid as a percentage of my contributions, the same adviser charge previously agreed will continue to be deducted from my plan.
12. I understand that if I transfer my plan to a different provider or retire earlier than my chosen retirement date and if the agreed level of adviser charge has not been deducted from my plan, Royal London will deduct any outstanding initial adviser charge due before releasing the transfer payment or retirement savings. I also understand that if I increase the term of my plan beyond the chosen retirement date and I've agreed an ongoing adviser charge with my financial adviser, this will continue to be paid until the new retirement date.
13. I understand that if the adviser charge I've agreed with my financial adviser is inclusive of VAT and should the rate of VAT which is applicable change, then the adviser charge being deducted from my plan will also change if my adviser confirms the new total adviser charge to be deducted. I also understand that Royal London won't require any additional authorisation from me to make this change.

12 Declaration continued

14. I understand that the adviser charges I agree with my financial adviser are a matter between me and my financial adviser and Royal London won't get involved with any dispute I may have with my financial adviser regarding the adviser charges.
15. I understand that if Royal London stops making adviser charge payments to my financial adviser for any reason, or if I instruct Royal London to discontinue paying an adviser charge to my financial adviser or if I cancel my plan within the cancellation period, I may remain liable to reimburse my financial adviser for the cost of the advice and services provided to me. I understand I should check the terms of my agreement with my financial adviser in this event. I further understand that if I make a regular contribution to my plan and I decide to cancel my plan within the cancellation period, Royal London will refund my regular contribution including any adviser charge that has been made to my financial adviser. However, I also understand that in any other circumstance, Royal London won't refund any adviser charge payment that has been made to my adviser.
16. I understand that if I change my financial adviser, I should let Royal London know as soon as possible. In such circumstances, Royal London will continue to pay any outstanding initial adviser charge to my previous financial adviser. I also understand that if I wish to pay an adviser charge to a new financial adviser, I will need to provide a new adviser charge instruction.
17. I understand that should Royal London demutualise within a period of 3 years from the later of the date that this application is accepted by them, or the date that they receive the first contribution paid under this application, I won't be entitled to any compensation for loss of membership rights in respect of the contributions covered by this application.
18. I consent to Royal London disclosing all information, including details of adviser charges, in respect of my plan to my financial adviser including any subsequent adviser appointed by me from time to time in order for them to provide me with advice and services in relation to my plan. I understand that my financial adviser will have access to all information about my plan on request unless I object in writing to in the way described in the 'Privacy notice' section.
19. Royal London will only accept a transfer from an occupational pension scheme or statutory pension scheme where:
 - the benefits have been equalised under Article 141 of the Treaty of Rome so the benefits for both men and women will be treated the same, and
 - where the transfer value from my previous pension plan is at least equal to the value of any guaranteed minimum pension (GMP) that applied to my previous plan (if applicable), I also understand that Royal London are not liable for any shortfall if the amount my previous pension provider transfers does not meet these criteria.
20. Royal London won't accept a defined benefit transfer unless advice has been provided by a financial adviser that has the appropriate pension transfer advice permissions.
21. I understand that Royal London are entitled to treat reasonable instructions regarding my plan which they receive from my financial adviser as though such instructions came from me directly. I also understand that Royal London cannot be held responsible for any consequences of relying on these instructions.
22. I understand that the total contributions I make to all of my pension plans, won't be greater than 100% of my relevant UK earnings for the relevant tax year or £3,600 if greater. Where I am making regular or single contributions I confirm I'm under the age of 75 and that either I am, or have been, resident in the UK in the current tax year, or I have relevant UK earnings, or I'm a crown servant or a husband, wife or civil partner of a crown servant. As a result I confirm I'm eligible for tax relief on my contributions. If I cease to be such a person I'll notify you immediately.
23. I understand that my plan documents may be sent to my financial adviser to be passed onto me. I understand that if I don't receive my documents, I should contact my financial adviser or Royal London.
24. I understand that if I wish to make a transfer payment, the payment must come from a Registered Pension Scheme and I've provided all the transfer payment details within this application form. Any transfer payment I make will be subject to the Rules of The Royal London Personal Pension Scheme (No2). By making this transfer payment, I declare the following;

My declarations to the administrator of the scheme(s) where my transfer payment is coming from:

- I authorise and instruct you to transfer funds from the plan(s) as listed in the Contributions section of this form directly to Royal London. Where you have asked me to give you any original policy document(s) in return for the transfer of funds and I'm unable to do so, I promise that I will be responsible for any losses and/or expenses which are the result, and which a reasonable person would consider to be the probable result, of any untrue, misleading or inaccurate information deliberately or carelessly given by me, or on my behalf, either in this form or with respect to benefits from the plan.
- I authorise you to release all necessary information to Royal London to enable the transfer of funds to Royal London.
- I authorise you to obtain from and release to the financial adviser named in this application form any additional information that may be required to enable the transfer of funds.
- If an employer is paying contributions to any of the plans as listed in the Contributions section of this form, I authorise you to release to that employer any relevant information in connection with the transfer of funds from the relevant plan(s),
- Until this application form is accepted and complete, Royal London's responsibility is limited to the return of the total payment(s) to the administrator of the transferring scheme(s).

12 Declaration continued

- Where the payment(s) made to Royal London represents(s) all of the funds under the plan(s) listed in the Contributions section of this form, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from the plan(s) listed.
- Where the payment(s) made to Royal London represents(s) part of the funds under the plan(s) listed in the Contributions section of this form, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from that part of the plan(s) represented by the payments.

My declaration to Royal London and the administrator of the scheme(s) that my transfer payment is coming from:

- I promise to accept responsibility in respect of any claims, losses and expenses that Royal London and the administrator of the transferring scheme may incur as a result of any incorrect information provided by me in this application form or any failure on my part to comply with any aspect of this application.

I confirm that the information I've provided in this application form is true to the best of my knowledge and belief. I also confirm that I've read the declaration and every answer, including those answers not filled in by me, is correct.
