You can find out more information about the MPAA in your [Talisman Group Pension Plan key features document](#).

#### Part B: Regular payments

Do you want to increase regular payments to your plan? Yes  No

What date do you want to start/increase your payments from?

What payments do you/your employer want to make to your plan?

Your employer's new total payment (gross amount)	£ <input type="text"/>		<input type="text"/> %		

\*The amount taken from your employer's payroll will be less than the gross amount. This is because the new total payment that you've entered above is the gross amount, made up of your net payment and tax relief which we'll claim from HM Revenue & Customs on your behalf. If you're a higher rate taxpayer, you'll need to claim your additional tax relief through your tax return. All payments made by employers must be made gross of tax.

#### (c) Tiered payments

Are your payments to follow a tiered payment structure? Yes  No

If yes, are you aware of the contractual increases contained in the tiered payment structure? Yes  No

Do you want to make payments in addition to those payable under the tiered payment structure? Yes  No

If yes, the rates are  % of earnings or £  per month (gross)

#### Part C: Single payments

Your single payment (gross amount) £  Your employer's single payment (gross amount) £

Single payments can be paid by cheque which must be made payable to 'Royal London'. If you're paying a single payment to your plan, please ensure that you write your name and date of birth clearly on the back of the cheque. Your cheque should be made out for the net amount. This is because the payment that you've entered above is the gross amount, made up of your net payment and tax relief which we'll claim from HM Revenue & Customs on your behalf. If you're a higher rate tax payer you'll need to claim your additional tax relief through your tax return. Any single payment made by employers must be made gross of tax.
