This **Agreement** forms part of your **Employer Application** and by your signature of the **Employer Application** you accept the terms of this **Agreement** which establish the basis on which **Royal London** will make available its **Automatic Enrolment** services (“the **Services**”) to **you**, and the obligations which both **you** and **Royal London** will have with regard to your use of the **Services**.

At the end of this **Agreement**, Schedule 2 includes a list of definitions that explain the meaning of the words or phrases that have particular definitions in the **Agreement** or are technical in nature. These words and phrases are shown in **bold** throughout the **Agreement**.

The terms of this **Agreement** can also be found on our website at employer.royallondon.com

THE AGREEMENT

1. Provision of the services

1.1 **Royal London** will make the **Services** available to **you** and **Group Members** and **you** agree that **Royal London** may work with, and take instructions from your appointed **Advisers** or from any other third party authorised by **you** (including but not limited to any payroll provider or benefit platform) in order to do so. **You** agree that the **Services** do not include the provision of advice of any kind (and in particular, the **Services** do not include legal and/or financial advice).

1.2 Where an obligation which is expressed as your obligation under the terms of this **Agreement** is in fact an obligation of a **Group Member** or where an obligation falls on a **Group Member** under this **Agreement** or the **Pensions Act** (or regulations made thereunder), **you** shall:

1.2.1 comply with that obligation as though it fell upon **you** for the purposes of this **Agreement**; or

1.2.2 procure that the relevant **Group Member** complies with the obligation as though it were bound by the terms of this **Agreement**.

2. Provision of information

2.1 To allow **Royal London** to make the **Services** available, **you** will determine the identity of your **Workers** and provide **Royal London** with all **Worker** data, information and assistance relevant to the **Scheme** and the provision of the **Services**. Data and information provided by **you** will be accurate, complete and up to date in all material respects. It will be your responsibility to trace any missing data items.

2.2 **You** will provide all such information requested by **Royal London** within reasonable timescales and in a medium and format approved by **Royal London**.

2.3 You will comply with your obligations under **Data Protection Legislation** in respect of your **Workers' Personal Data** for which you are a data controller when providing information to **Royal London**. You will only provide us with your **Workers' Personal Data** where you have a **Lawful Basis** for doing so. If we share information with you about your **Workers**, for example to help you run your **Scheme** and meet your obligations under the **Automatic Enrolment Regulations**, you will treat that data with due care and only use it for data processing activities for which you have a **Lawful Basis**.

3. Charges
