## Doing business together

1. Our **terms of business** set out the conditions upon which we accept applications for **business** from you. By submitting applications to us, you agree to our **terms of business**.
2. We reserve the right to vary our **terms of business** at any time, and will let you know of any change as soon as we reasonably can. We may choose to use our **website** to do this.
3. Changes will take effect from the date specified in the notification, or from the date we publish the notification, unless changes in **applicable laws** dictate otherwise.
4. Changes to our **terms of business** will not affect **business** already in force, or applications submitted before the changes take effect, except to the extent required by **applicable laws**.
5. If you have any concerns or become aware of anything unusual in your relationship with us, those you are responsible for, and/or any **business** you have submitted to us, you must tell us immediately.
6. You will ensure that any information you give us about your **client** has come directly from them, or with their consent, and is true, complete and accurate to the best of your knowledge and belief.
7. You will tell your **client**, in good time before submitting an application, that they must answer our application questions honestly and in full to the best of their knowledge and belief. Your **client** must take reasonable care not to make any misrepresentation in providing their answers or any additional information to us, and you are responsible for explaining this to them.
8. You will ensure you pass on immediately any documentation we give to you for your **client** without making any amendments to it, and obtain their signature where we need it or where otherwise appropriate.

## Your role, obligations and responsibilities

1. We will treat you as your **client's** agent unless you, or your **client**, tell us otherwise and you must explain to them what this involves. As their agent, you will, whenever appropriate, advise them of all the relevant terms and conditions that apply to the **business** placed with us, on the suitability of each aspect, and of the amount of any commission or other remuneration you earn or receive for it. You are not and may not purport to be our agent at any time.
2. You will always act in your **client's** best interests.
3. You will run your organisation in an appropriate and professional manner.
4. You will be responsible for the conduct, actions and omissions of your employees, **appointed representatives** and anyone else who represents you, and you will have appropriate monitoring in place to ensure they are reliable. You will also make sure they are aware of, understand and act in accordance with our **terms of business**.
9. You will immediately pass to us any documentation your **client** gives you in relation to the **business**, keeping copies on your file.
10. Where your **client** is more than one person, you will ensure that you perform your obligations set out in our **terms of business** for each of them.
11. You will immediately pass to your **client** any notification of amendments we propose to make in relation to their application or to in-force **business**, and will explain the amendments to them.
12. You will confirm your **client's** written rejection or acceptance of any amendments as soon as you receive it from them.
13. Where you choose to deal with us online, you will be subject to additional terms and conditions relating to our online services.

14. Email communications are not necessarily secure, and may be intercepted or changed after they are sent. We do not accept any liability where such communications are changed or are not delivered.
15. You must ensure that you have adequate security measures in place (including but not limited to any measures we ask you to take) and that the appropriate measures are in place to prevent harmful viruses being sent to us electronically.
16. You will maintain professional indemnity insurance in line with the requirements of the regulatory body or association you belong to, and will give us a copy of your policy on request.
17. You will comply with all **applicable laws** and any other relevant legal or regulatory requirements, including the requirements of any voluntary body of which you are a member.
18. You will give us regular updates of anyone joining or leaving your organisation who submits **business** directly to us.
19. You warrant that you have full authority from your **client** and all necessary authorisations from your regulator and under the Financial Services and Markets Act 2000 and **Data Protection Legislation** and/or any other **applicable laws** to enable you to act under our **terms of business**.
20. You will comply with your obligations under **Data Protection Legislation** in respect of all **Personal Data** for which you are a data controller or data processor. You will only provide us with your **Customer's Personal Data** where you have a **Lawful Basis** for doing so and to the best of your knowledge where this is accurate and up-to-date. If we share data with you about your **Customer**, for example to help you provide advice and/or services to that **Customer**, you will treat that data with due care and only use it for data processing activities for which you have **Lawful Basis**.
21. You will indemnify us against any loss we suffer if you act outside of or in breach of any **applicable laws**, or our **terms of business**.

## Consumer Duty

1. You agree to take all reasonable action to ensure that you are acting in compliance with the Consumer Duty on an ongoing basis. In particular, you agree to notify us promptly in the event that you identify any instance where you are not offering, or potentially are not offering, fair value as required by the Consumer Duty in relation to any application or in-force business.
2. You also agree to comply with any additional reasonable requests from us in order to support or enable our compliance with the Consumer Duty.

## Our rights

1. We may disclose and/or use, as per our Privacy Notices, any information or data you give us for the purposes of exchanging information, conducting market research, preparing strategic or other marketing plans or gauging product sales or product performance. We may also exchange the information with associated companies, service providers, distributors of our products or agents (who may be located in other countries) with which we have a contractual relationship, or to any party in connection with the approved uses of such information set out above.
2. In doing so we will always comply with **applicable laws**, and where appropriate will amend the information or data so as not to identify the **client**.
3. We may run relevant searches and checks on you (including your credit worthiness) as we see fit.
4. We reserve the right not to accept **business** from you, and will not accept it where you are not appropriately authorised.
5. We reserve the right to send communications directly to the **client**.
6. We reserve the right to vary our **Privacy Notices** at any time and will let you know as soon as we can. We may choose to use our **Website** to do this. Changes will take effect from the date we publish the notification, or if different, from the date specified in the notification unless changes in **Applicable Law** dictate otherwise.

## Commission

1. We will credit or pay you commission for **business** that goes in force.
2. We will negotiate the rate and terms of your commission separately, and may vary these at any time. We will let you know about any variation, though not necessarily in writing.
3. Any commission we pay you will follow the principles and rules of our regulator and/or any **applicable laws**.
4. We will pay your commission in arrears and provide you with statements confirming payments.
5. We will only pay or credit commission once we have received the first premium, any cooling-off or cancellation period has ended, and, where applicable, the **client's** money has been invested in the underlying investment vehicle (as defined in the product literature).
6. We will stop paying commission for **business** that is cancelled, lapses, ends, or if premiums stop being paid for any reason.
7. If the terms of the **business** are varied and/or the premiums change, we may vary the amount of commission we pay you accordingly.
8. We may defer paying your commission until a certain minimum level is reached. We review this minimum level from time to time.
9. You may ask us to apply some or all of your commission to enhance the benefits under your **client's** policy.
10. If any **business** becomes void or is cancelled from inception because of misrepresentation or non-disclosure, or for any other reason, we will claw back all commission paid for that policy, and the repayment will be due immediately.
11. We will pay indemnity commission at our sole discretion, and in all circumstances reserve the right to pay non-indemnity commission.
12. In particular we reserve the right not to pay indemnity commission for **business** on the life of, or for the benefit of, you or your family. For the purpose of this clause, 'family' includes spouse, partner, co-habitee, grandparent, parent, sibling, child, or grandchild (or the spouse or partner of any of those people). You must tell us if **business** being submitted is on the life of or for the benefit of, you or your family.

Where we agree to pay indemnity commission, the additional provisions 13 - 18 also apply.

13. We will not pay commission for any **business** that is terminated or cancelled from inception, or if the first premium is not paid, and we will claw back any commission already paid. The repayment will be due immediately.
14. If any **business** is terminated or cancelled, or if premium payments reduce, vary, stop or are suspended during the initial earnings period agreed in our commission negotiations, we will claw back a proportion of the indemnity commission we paid you. We will calculate the proportion based on factors including the changes to the premium and the period from the date of the change until the end of the initial indemnity period.
15. We will tell you on your statement of account that repayment is due.
16. If you do not repay the commission within 28 days of it becoming due, we may charge interest on the commission to be repaid.
17. If you breach our **terms of business** by not repaying commission immediately or failing to repay any debt you owe us, we reserve the right to share this information with other financial institutions (including to the Elixir2000 database which is maintained on behalf of insurers or to any similar body) and with any appropriate regulatory bodies.
18. We may vary or withdraw our agreement to pay you indemnity commission at any time, at our sole discretion.

## Commission repayment and set-off

1. Where you are due to pay, repay or reimburse any sum to us, you should pay it without our issuing a formal demand, unless otherwise stated in our **terms of business**.
2. Where possible, we will set-off any commission you owe us against any we owe you under our **terms of business**.
3. We may set-off any commission or other payment we have credited to you under our **terms of business** against any other debt you owe **Royal London** under any other agreement or arrangement.
4. We may set-off any other commission or payment **Royal London** owes you against any debt you owe us under our **terms of business**.
5. We will let you know before we perform any setting-off against payments due to you or debts owed by you other than under our **terms of business**.
6. Exercising our rights under this clause will be without prejudice to any other rights or remedies available to us under our **terms of business** or otherwise.

## Ceasing to act for the client

1. If the **client** asks us to, we will transfer their **business** to another intermediary. If you tell us that your organisation has been legally transferred to another intermediary, we may also transfer the **client's business** to that intermediary.
2. If your **client's business** is transferred to another intermediary, or if you cease to act on their behalf for any other reason, we may, and will normally, stop paying you commission for their **business** – other than any commission due to you before you ceased to act for them.
3. If your **client's business** is transferred to another intermediary during the initial indemnity period, you will still be liable for any repayment of commission unless you and the other intermediary agree that liability should transfer too, and we give our written consent. We may withhold or delay our consent at our sole discretion and may require that you repay us any unearned commission for the **business**.
4. If your **client's business** is transferred to you from another intermediary, we may agree to pay the commission for it to you if the other intermediary agrees, or if we are entitled to stop paying commission to the other intermediary and no one else is entitled to it.

## Money laundering

1. You agree to comply with all **applicable laws** on the prevention of money laundering. In particular, you will be responsible for verifying the identity of your **client** and relevant third parties, obtaining sufficient evidence and forwarding it to us where required or requested. You also agree to comply with any reasonable additional requests from us. We will not be liable for any errors or omissions you may make in obtaining or providing information or evidence.
2. We may carry out an online identity authentication search on your **client**. This does not waive or otherwise affect any obligations on you to verify your **client's** identity for your own **business** purposes.

## Data protection

1. The expressions “data controller”, “processing”, “personal data”, “data processor”, “data subject”, “subject access request” and “personal data breach” shall bear their respective meanings given in the **Data Protection Legislation** and any other grammatical forms of those expressions shall be interpreted accordingly.

By accepting a relationship with us, you and any other director, partner, **Appointed Representative** or employee of you agree to these checks taking place throughout the duration of the relationship where we, in our sole opinion, feel it is necessary to do so.
3. We will keep your **Personal Data** (and your employees' **Personal Data**) for a reasonable period (such period being no longer than is necessary to fulfil our obligations to you as per our **Adviser Privacy Notice**). ## The Customer's personal data

11. The **Data Protection Legislation** places legal obligations on all organisations processing **Personal Data** as either data controllers and/or data processors. - 11.8 only allow processing of any **Personal Data** by a third party, where such third party is providing processing services.
