The policy document is evidence of the contract made between The Royal London Mutual Insurance Society Limited and the Proposer(s).

Regrettably the policy has been lost and although loss of the policy will not invalidate the contract, the policy is an important document of title and we would recommend the recording of its loss in the Company's records and its replacement by a counterpart policy.

If after a thorough and exhaustive search, the policy still cannot be found then we will issue a counterpart policy. This is a reproduction of the original policy bearing a clause confirming it as a replacement. There is no charge for this service.

Please confirm that this arrangement is acceptable to all concerned by signing and returning this form.
