• Please use BLOCK CAPITALS and black ink when completing this form.

• You should only complete this form if you have an existing Pension Portfolio Plan with Self Investments and you would like to start or increase your regular contributions and/or apply a single contribution or transfer payment to your plan.

• If you have not already notified us of how you would like your retirement savings to be paid out on your death, you can complete the separate Payment of benefits on death form (14P27).

• You should answer each question fully and accurately with your financial adviser. You should remember that your adviser is acting on your behalf not only by providing you with advice, but also regarding the completion of this form. If you need any further help completing this form you can contact us on 0345 600 7477 (Mon–Fri, 8am – 6pm).

• If you’re aged 55 or over and you want to take a cash lump sum from your plan, you’ll need to complete our Cash lump sum application form (2TA1405).

5 Investment choice

Please read this section and if relevant, complete the table with your new investment details.

You can find out more details about your investment options in the Pension investment options guide and at royallondon.com/pensioninvestments.

Before you can self invest, we’ll need to initially invest all your contributions in the Core Investments part of your plan. We’ll then move your money into your Pension Portfolio Bank Account for Self Investment.

If your plan is invested in a Lifestyle Strategy (including a Flexible Lifestyle Strategy or a Target Lifestyle Strategy), Governed Portfolio or a Governed Retirement Income Portfolio (GRIP), your new or increased contribution must also follow the same investment choice and this will apply to all of your Core Investments.

If you’re not currently invested in a Governed Portfolio, GRIP or a Lifestyle Strategy but you want your new or increased contributions to invest in one of these options, you’ll also need to change your current investment choice. You can change your current investment choice by completing a Change of investment form (32A28) or via our website.

If your plan is currently invested in individual funds, we’ll automatically invest your new or increased regular contribution and/or single contribution and/or your transfer payment according to your most recent investment instruction. If you would like to choose different individual funds for your new or increased regular contribution, single contribution or transfer payment, please complete the table below. Please make sure the figures add up to 100%.

If you’re choosing different individual funds for your new or increased regular contributions, single contributions or transfer payment and would like your existing contributions to also invest in these funds, please tick this box.

If your plan is already invested in individual funds which you have requested to rebalance, any new funds you select here will also rebalance.

If you’d like to invest in more than 10 investment funds, please tick this box and provide the details on a separate piece of paper which should be signed, dated and attached to this application form.

10 Adviser charge instruction

Please complete this section with the agreed adviser charge details for the Core Investments.

Adviser charges can be paid as a percentage of fund (based on the value of the Core Investments) and/or a percentage of contribution, or a monetary amount that you’ve agreed.

If the adviser charge(s) include VAT and the rate of VAT applicable changes, your financial adviser will need to tell us the new total adviser charge(s) to be deducted from the plan.

If you’ve agreed an adviser charge payment for advice and/or services provided in relation to the Self Investments part of the plan, including any in specie transfer, we’ll deduct the payment from the value of the Core Investments part of the plan. It’s important that any details you complete in this section include the amount of adviser charge that you’ve agreed in relation to the contribution(s) detailed in section 4 of this form which we should deduct from the plan.

Please confirm if any adviser charge(s) are to be deducted from the plan?

No adviser charge [ ] > If No, you don’t need to complete any more information within this section.

Yes [ ] > If Yes, please read the notes and complete the table on the following pages.
Please read these notes carefully before completing the table.

You'll need to complete the table with the adviser charge (AC) details you've agreed will be deducted from the value of the Core Investments part of the plan. Please complete the table by circling your answers where appropriate or by writing in the details you've agreed. You'll need to tell us the initial and/or ongoing adviser charge details for the new or increased regular contributions and for single contributions and transfer payments separately.

Note 1 – What percentage or monetary amount of AC is being paid?
• You'll need to tell us the percentage or monetary amount of AC that you've agreed. **If the AC payment is to be made ASAP, please leave this blank and read note 4.**
• If the agreed initial and/or ongoing AC payments are being paid as a monetary amount, you'll need to tell us the amount and the frequency that amount is to be paid for. For example, if the total charge to be paid is £1,200 and you've agreed this will be paid over 12 months, you'll need to enter £100 and 12 into the appropriate boxes.
• If the agreed ongoing AC payments are being deducted;
  • as a percentage of the fund, you'll need to tell us the yearly percentage that we'll need to deduct from the plan which we'll pay proportionately each month.
  • as a percentage of contribution or as a monetary amount, you'll need to tell us the percentage or the amount that we'll need to deduct from the plan.

Note 2 – How frequently are the AC payments being made?
• You'll need to circle how frequently the AC payments will be paid (monthly or yearly). We're not able to pay the AC payments less frequently than the frequency the contributions are made to the plan and they can't be more frequently than monthly. For example, if the regular contributions are being paid monthly, we'll only pay the AC payments monthly.
• You'll need to circle to let us know how frequently the ongoing AC payments are to be paid. If you've agreed the AC payments will be paid as a percentage of the fund, we'll pay these monthly.
• If the agreed AC payments are being paid as a percentage of the regular contributions, we'll automatically pay any AC payments at the same frequency the contributions are made to the plan.

Note 3 – How long are the initial AC payments being made for?
• If the agreed initial AC payments are made as a:
  • percentage of the regular contributions you'll need to tell us how long the AC should be paid for. The period should be months or years depending on the regular contribution frequency.
  • monetary amount you'll need to tell us how many AC payments are to be made.

Note 3 continued
• The maximum number of initial AC payments we can pay over a monthly frequency is 60 and over a yearly frequency is 5. Please note the maximum initial AC period is 60 months.

Note 4 – How much AC is being paid as soon as possible (ASAP)?
• You'll need to tell us the AC payment that we'll deduct from the plan ASAP. The amount you tell us to deduct should relate to any increased regular contributions. You'll need to be aware that if you've agreed this option, the plan's regular contribution fund value will be reduced until we've deducted all of the AC payments detailed within this form.

Note 5 – How long are the ongoing AC payments being made for?
• Are the AC payments being paid for the full term or for a set period? If they're being made for a set period, you'll need to tell us how many payments we'll need to deduct from the plan. We'll continue to pay the ongoing AC payments for as long as there is sufficient value in the plan.
• If the agreed ongoing AC payments are being paid as a percentage of fund, we'll pay these for the full term of the plan or until we're advised otherwise.

Note 6 – After how many months are the ongoing AC payments to start from?
• If the AC payments are not increasing you don't need to complete this column.
• You'll need to tell us if the increase is to apply from the plan's yearly review date or a specific date. If it's a specific date, you'll need to tell us the date and the month the increase is to apply from choosing from the 1st – 28th of the month.

Note 7 – Are the AC payments increasing each year? If so, how are they increasing?
• If the AC payments are not increasing you don't need to complete this column.
• If the agreed ongoing AC payments are being paid as a monetary amount which will increase, you'll need to tell us if they're to increase by RPI, AWE or a fixed percentage. The maximum fixed percentage is 5%.

Note 8 – When are the AC payments increasing from?
• If the AC payments are not increasing you don't need to complete this column.
• You'll need to tell us if the increase is to apply from the plan's yearly review date or a specific date. If it's a specific date, you'll need to tell us the date and the month the increase is to apply from choosing from the 1st – 28th of the month.

11 Declaration

All applicants should read this section carefully. If there's anything that you don't fully understand you should speak to your financial adviser or Royal London.

1. I've read this declaration and submit this application for additional contributions which are detailed in section 4 to be applied to my plan.

2. I accept that the terms of my plan are detailed within my Pension Portfolio Core Investments Plan booklet and my Self Investments Plan booklet which I received when I applied for my Plan. I also accept that if I require an additional copy of either of these Plan booklets I can request a copy at any time.

3. I accept that the information I've supplied within this application form will be used to structure my investments and provide benefits under my plan.

4. I accept that I won't be able to cash-in, assign or take as a lump sum any pension bought by my plan except as allowed by Part 4 of the Finance Act 2004 (as amended).

5. I accept that if I appoint a Discretionary Fund Manager ("DFM") I, my financial adviser or my DFM will be responsible for all the decisions relating to the purchase, retention and sale of investments that form part of the Self Investments within my plan. I accept Royal London won't carry out a review of the nominated DFM's financial status or their investment and/or risk strategies and I understand and accept that Royal London and any third party provider or practitioner will be fully indemnified against any claim in respect of such investment decisions. I or a financial adviser I appoint to act on my behalf, will be responsible for checking these matters and ensuring the DFM is suitable for my investment objectives. I authorise Royal London to release all necessary information to the nominated DFM to enable the transfer of funds for investment purposes.

6. I confirm that if I have taken retirement savings from my pension arrangement, with the current or any other pension provider, in a way which means I am subject to the money purchase annual allowance (MPAA), I've supplied the date the MPAA first applied to me in section 4.

7. I accept that if at any point I trigger the money purchase annual allowance under any other pension plan, then it’s my responsibility to inform Royal London of this within 91 days of the trigger.

8. I confirm that the adviser charges detailed in section 10 of this application form, which include the amount of adviser charges being paid, the frequency the charges will be deducted and the duration for which they will be paid are as I've agreed with my financial adviser in return for the services they provide. I instruct Royal London to deduct the adviser charges from my plan over the agreed period of time and pay them to my financial adviser as detailed within this form.

9. I accept that if I want to amend the adviser charges that are being deducted from my plan in the future, as described within the Pension Portfolio Core Investments Plan booklet, I can provide Royal London with a new adviser charge instruction that will replace any previous adviser charge instruction. I also accept that any adviser charge payment I agree with my financial adviser will be in addition to any plan charges that may be required by Royal London.

10. I accept that if, in relation to regular contributions, I’ve previously agreed an adviser charge that is a percentage of the contributions or a percentage of the fund, Royal London will also apply the same adviser charge to each future regular contribution increase, including any regular contribution increase set out in section 4 of this application form, unless I tell Royal London otherwise.

I also accept that if I make more than one single contribution to my plan and I’ve previously agreed an adviser charge that is a percentage of that contribution type, Royal London will also apply that same adviser charge to each single contribution unless I tell Royal London otherwise. If I choose to make a single contribution to my plan and more than 24 months has passed since I made my last single contribution, I accept that Royal London will require a new adviser charge instruction. If I wish to make a transfer payment to my plan, I accept that Royal London will require a separate instruction to confirm the amount of adviser charge that should be deducted from my plan each time.

11. I accept that if I reduce the level of regular contributions I make to my plan, unless I’ve agreed with my financial adviser that the adviser charge will be paid as a percentage of my contributions, the same adviser charge previously agreed will continue to be deducted from my plan.

12. I accept that if I transfer my plan to a different provider or retire earlier than my chosen retirement date and if the agreed level of adviser charge has not been deducted from my plan, Royal London will deduct any outstanding initial adviser charge due before releasing the transfer payment or retirement savings. I also accept that if I increase the term of my plan beyond the chosen retirement date and I’ve agreed an ongoing adviser charge with my financial adviser, this will continue to be paid until the new retirement date.

13. I accept that if the adviser charge I’ve agreed with my financial adviser is inclusive of VAT and should the rate of VAT which is applicable change, then the adviser charge being deducted from my plan will also change if my adviser confirms the new total adviser charge to be deducted. I also accept that Royal London will not require any additional authorisation from me to make this change.

14. I accept that the adviser charges I agree with my financial adviser are a matter between me and my financial adviser and Royal London won’t get involved with any dispute I may have with my financial adviser regarding the adviser charges.

15. I accept that if Royal London stops making adviser charge payments to my financial adviser for any reason, or if I instruct Royal London to discontinue paying an adviser charge to my financial adviser or if I cancel my additional contribution within the cancellation period, I may remain liable to reimburse my financial adviser for the cost of the advice and services provided to me. I accept I should check the terms of my agreement with my financial adviser in this...
event. I further accept that if I start to make a regular contribution and/or I pay an additional regular contribution to my plan and I decide to cancel such regular contribution and/or additional regular contribution within the applicable cancellation period, Royal London will refund such regular contribution and/or additional regular contribution including any adviser charge that has been made to my financial adviser. However, I also accept that in any other circumstance, Royal London won't refund any adviser charge payment that has been made to my adviser.

16. I accept that if I change my financial adviser, I should let Royal London know as soon as possible. In such circumstances, Royal London will continue to pay any outstanding initial adviser charge to my previous financial adviser. I also accept that if I wish to pay an adviser charge to a new financial adviser, I'll need to provide a new adviser charge instruction.

17. I consent to Royal London disclosing all information in respect of my plan, including details of adviser charges, to my financial adviser including any subsequent adviser appointed by me from time to time in order for them to provide with advice and services in relation to my plan. I accept that my financial adviser will have access to all information about my plan on request unless I object in writing in the way described in the 'Privacy notice' section.

18. Royal London will only accept a transfer from an occupational pension scheme or statutory pension scheme where:

- the benefits have been equalised under Article 157 on the Functioning of the European Union so the benefits for both men and women will be treated the same, and
- the transfer value from my previous pension plan is at least equal to the value of any guaranteed minimum pension (GMP) that applied to my previous plan (if applicable);

I also accept that Royal London is not liable for any shortfall if the amount my previous pension provider transfers does not meet either or both of the above criteria;

19. Royal London won't accept a defined benefit transfer unless advice has been provided by a financial adviser that has the appropriate pension transfer advice permissions.

20. I accept that if I wish to make a transfer payment, the transfer payment must come from a Registered Pension Scheme and I have provided all the transfer payment details within this application form. Any transfer payment I make will be subject to the rules of The Royal London Personal Pension Scheme (No2). By making this transfer payment, I declare the following:

My declarations to the current provider(s) where my transfer payment is coming from:

- I authorise, instruct and apply to the current provider(s) to transfer sums and assets from the plan(s) as listed within section 4 of this application form directly to Royal London and to provide any instructions and/or discharge required by any relevant third party to do so.
- I authorise Royal London, the current provider(s), any contributing employer and any financial adviser named in this application to obtain from each other, and release to each other, any information that may be required to enable the transfer of sums and assets to Royal London.
- Until this application is accepted and complete, Royal London's responsibility is limited to the return of the total payment(s) to the current provider(s).
- When payment is made to Royal London as instructed, this means that I shall no longer be entitled to receive pension benefits from the whole of the plan(s) listed in section 4 of this application form where the whole plan(s) is transferring, or that part of the plan(s) represented by the payment(s) if only part of the plan(s) is transferring.

My declaration to Royal London and the current provider(s) that my transfer payment is coming from:

- I accept responsibility in respect of any claims, losses, expenses, additional tax charges or any penalties that Royal London and the current provider(s) may incur as a result of any incorrect, untrue, or misleading information in this application or given by me, or on my behalf, or of any failure on my part to comply with any aspect of this application.

I confirm that the information I've provided in this application form is true to the best of my knowledge and belief. I also confirm that I've read the declaration and every answer, including those answers not filled in by me, is correct.
