

## CALCULATING OUR DRAWDOWN GOVERNANCE SERVICE RATINGS

We worked with Moody's Analytics to review a few key time points over the past 10 years to capture and consider events that represent normal market fluctuations, as well as considering any abnormal events. Our service reviews the potential sustainability of your clients' income against their target using the following five income outlook ratings.

Within our service we'll review the potential sustainability of a client's income against their target using the following five income outlook ratings:
