Dear Adviser

### Value for money review - Crest

We previously wrote to you in December 2015 about a scheme trustee mailing that reminded trustees about their new responsibilities for money purchase occupational pension schemes. This letter confirmed that we'd be carrying out a value for money review of our Crest Growth and Crest Secure plans and would be in touch again once we'd completed it. We've now completed that review and we'll be contacting Crest trustees shortly to confirm the outcome of the review.

Please find enclosed a sample of the letter(s) we're sending to the trustees of the [above scheme/enclosed schemes].
